Because publications A1-A11 have previously been transmitted by the International Bureau, along with the Search Report, to all the Designated Offices in the corresponding International patent application PCT/GB2003/004493, Applicants do not enclose copies of these publications herewith.

This statement is not to be interpreted as a representation that the cited publications are material, that an exhaustive search has been conducted, or that no other relevant information exists. Nor shall the citation of any publication herein be construed *per se* as a representation that such publication is prior art. Moreover, Applicants understand that the Examiner will make an independent evaluation of the cited publications.

Under 37 CFR § 1.97(b)(1), no additional costs are believed to be due in connection with the filing of this disclosure. However, please charge any fee necessary for consideration of this statement to our Deposit Order Account No. 04-1105.

Respectfully submitted,
